

Wholesale Nursery with a Recognized Regional Brand

Organic brand following built upon a long-standing reputation of providing high-quality plants and hard-to-find varieties

Large base of independent retail stores, over 200 unique customers, no accounts exceed 10% of total revenues

The Nursery currently uses roughly 75% of the acreage it occupies, presenting attractive expansion opportunities

Financial Success by Design.®

Wholesale Nursery with a Recognized Regional Brand

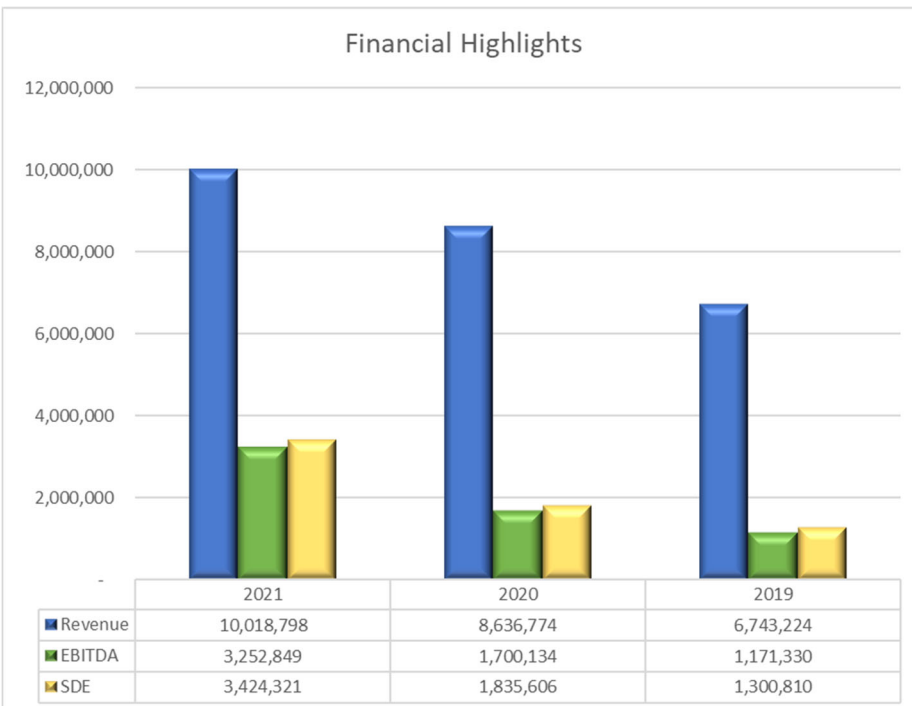

A wide-range of plant varieties are offered for sale in distinctively colored pots, with brand labeling that stands-out in retail store displays. Customers have come to associate these brand signatures with reliable, quality garden products.

Delivery range and associated brand recognition, extends across the I-5 corridor, products can be found in retail locations as far South-East as Salt Lake City, Utah and as far North-East as stores in western Montana.

In addition to retail-ready finished containers, the Nursery also offers plant products that are suitable for sale to other nursery businesses and landscapers.
